

Index Volume 30
April 2011-March 2012

A

Albumin, human, for shock; 30:6, P 1

Allergy, food, cat; 30:10, P 1

Allergy, tick bites 30:8, P 3

Amitraz, alternate therapies; 30:9, P 2

Analgesia

Analgesia, aortic thromboembolism; 30:2, P 4

Analgesia, buprenorphine transmucosally; 30:4, P 4

Analgesia, cat; 30:11, P 4

Analgesia, gabapentin; 30:9, P 1

Analgesia, topical; 30:2, P 3

Anesthesia

Anesthesia, accidents; 30:12, P 2

Anesthesia, aggressive cat; 30:10, P 2

Anesthesia, emergency induction 30:8, P 4

Anesthesia, preanesthetic medication; 30:6, P 3

Anesthesia, propofol and wound infection; 30:1, P 1

Anesthesia, sevoflurane, precautions for generic; 30:4, P 2

Anesthesia, the diabetic 30:8, P 2

Anesthesia, wound infection after propofol; 30:1, P 1

Animal law website; 30:1, P 2

Anorexia, management of; 30:11, P 2

Antivenom, new; 30:10, P 3

Anxiety, buspirone; 30:8, P 3

Anxiety, cat, previsit; 30:9, P 1

Asthma, treatment; 30:2, P 4

Atopic pododermatitis; 30:1, P 2

Atopy, antihistamines 30:8, P 2

Avian care, DVD; 30:3, P 4

Avian

Avian, care of parrots; 30:12, P 3

Avian, goiter 30:8, P 3

Avian, use of doxycycline; 30:3, P 1

B

Behavior

Behavior problems, benzodiazepines; 30:5, P 3

Behavior, "sick" in healthy cats; 30:5, P 4

Behavior, positive punishment; 30:10, P 3

Behavior, smart Phone App; 30:5, P 1

Behavior, social interaction of puppies; 30:10, P 3

Behaviorists websites; 30:6, P 1

Biopsy, avoid ultrasound gel; 30:7, P 4

Biopsy, pancreas; 30:6, P 3

Birth control pill toxicity; 30:4, P 1

Blood samples, micro vs. vacuum tubes; 30:1, P 3

Bloodroot for cancer; 30:4, P 1

Bloodroot, hazards of; 30:5, P 1

Bone healing, effect of Carprofen; 30:7, P 4

Brucellosis, in a kennel; 30:7, P 4

Brucellosis, testing for; 30:11, P 3

Buprenorphine, sustained release for cats; 30:6, P 2

Buspironone, for anxiety 30:8, P 3

C

Cardiology, online resource; 30:6, P 2

Cardiomyopathy, L-carnitine; 30:12, P 1

Cardiomyopathy, taurine for; 30:10, P 3

Carprofen, effect on bone healing; 30:7, P 4

Cat practice tips; 30:12, P 3

Cataracts, oral nutraceutical for; 30:11, P 1

Cataracts, topical treatment; 30:3, P 1

Chemistry, diagnostic pearls; 30:6, P 4

Chemotherapy, intralesional; 30:5, P 3
Chemotherapy, precautions after; 30:11, P 2
Cobalamin, and GI disease, cat; 30:2, P 1
Cognitive dysfunction, dog, assessing; 30:10, P 2
Coprophagia; 30:1, P 2
Corneal sequestrum, cat; 30:9, P 4
Corneal stretching; 30:5, P 4
Corneal ulcers, treating; 30:7, P 2
Creatinine, and renal disease; 30:6, P 2
Cruciate disease, early, diagnosis; 30:3, P 4
Cystitis, idiopathic, changing food; 30:12, P 4
Cystitis, idiopathic/interstitial; 30:3, P 2~30:8, P 3
Cytology, fixing slides; 30:9, P 4

D

Demodicosis, amitraz, alternate therapies; 30:9, P 2
Demodicosis, clinical features in the dog; 30:2, P 3
Dental
 Dental, maintaining oral health; 30:12, P 4
 Dental, tooth resorption, cause; 30:11, P 2
 Dental, use of dental vaccine; 30:1, P 3
Dermatophytosis, treatment; 30:12, P 2
Diabetes
 Diabetes, blood glucose and insulin dose; 30:8, P 4
 Diabetes, cat, insulin types; 30:3, P 4
 Diabetes, fructosamine, interpreting; 30:7, P 2
 Diabetes, guidelines from AAHA; 30:1, P 2
 Diabetes, poor regulation in the dog; 30:3, P 1~30:9, P 4
 Diabetes, remission and diet, cats; 30:2, P 4
 Diabetes, remission in cats; 30:10, P 4
 Diabetes, remission with glargine; 30:2, P 1
 Diabetes, switching between glargine and PZI; 30:1, P 1

Diarrhea, chronic, treating; 30:9, P 2
Diet, growing pup; 30:3, P 3
Doxorubicin, extravasation; 30:4, P 4

E

Ear mite infestation, people; 30:5, P 2
ECG, as a screening tool in seniors; 30:3, P 4
Emesis, inducing in strychnine cases; 30:3, P 2
End-of-life issues, cat; 30:12, P 2
EPI, cobalamin 30:8, P 2
Epistaxis, treatment; 30:12, P 3
Estrus, inducing in anestrus bitch; 30:11, P 4
Exotics, small, intubation; 30:12, P 3
Extravasation, doxorubicin; 30:4, P 4

F

Famvir, for treatment of FHV-1; 30:7, P 3
Fat dogs, why they eat less; 30:5, P 1
Fearful dog, handling; 30:10, P 1
Fecal centrifugation vs. test kits; 30:4, P 3
Feline life stage guidelines; 30:9, P 3
Feline practice tips; 30:9, P 3
FeLV vaccine, delivery risk 30:8, P 1
FeLV, managing healthy FeLV cats; 30:6, P 4
Ferret, surgery, general; 30:1, P 3
FHV-1, treating with Famvir; 30:7, P 3
FIV, managing healthy FIV cats; 30:6, P 4
Fluid therapy, when to discontinue; 30:9, P 3
Fluids, maintenance; 30:12, P 2
Food allergy, cat; 30:10, P 1
Fractures, checking for nerve damage; 30:1, P 2
Fractures, mandibular 30:8, P 3

Frogs, pet, Salmonellosis; 30:3, P 3
Fructosamine, interpreting; 30:7, P 2

G

Gabapentin, dosage for analgesia; 30:9, P 1
GDV, post surgical; 30:1, P 4
GFR, measuring; 30:4, P 2
GI disease, cat, and cobalamin; 30:2, P 1
Giardia, cats, treatment; 30:4, P 2

H

Heartworm, treating without Immiticide 30:8, P 1
Heatstroke, treatment; 30:4, P 3
Herpes, feline, lysine for; 30:5, P 2
Hospice care, cat; 30:12, P 2
Hospice care; 30:10, P 2
Hyperthyroidism, feline; 30:6, P 4
Hyphema, drugs for; 30:3, P 4
Hypoallergenic dogs? ; 30:6, P 1
Hypothermia, treatment; 30:4, P 2

I

IFLUTD, amitriptyline; 30:10, P 4
Immune mediated hemolytic anemia, testing for; 30:2, P 2
Incubation problems, preventing; 30:11, P 2
Influenza, canine; 30:7, P 3
Inhaled corticosteroid resource; 30:7, P 1

K

Kidney disease and vomiting; 30:1, P 2

L

Lavender, for travel excitement; 30:10, P 3
L-carnitine recommendations; 30:12, P 1

Leptospirosis

Leptospirosis, consensus statement; 30:10, P 4

Leptospirosis, treatment; 30:7, P 1

Leptospirosis, zoonosis; 30:11, P 3

Leptospirosis, zoonotic risk; 30:9, P 1

Lyme disease

Lyme disease, nephritis; 30:10, P 1

Lyme disease, treating a sick Lyme dog; 30:2, P 2

Lyme disease, treating positive, non-clinical dog; 30:7, P 1

Lyme disease, vaccination recommendations; 30:6, P 1

M

Malassezia, detection of; 30:2, P 4

Mast cell tumors, presurgical treatment; 30:9, P 3

Mercury spills, cleaning up; 30:5, P 4

Metastatic tumors to digits, cat; 30:11, P 4

Music therapy; 30:2, P 1

Myringotomy; 30:7, P 2

N

Neonate

Neonate, antibiotic use; 30:12, P 1

Neonate, hypoglycemia; 30:11, P 3

Neonate, post-delivery care; 30:4, P 4

Neonate, resuscitation; 30:4, P 2

Neonate, treating hypothermia; 30:6, P 3

Noise phobia; 30:4, P 3

Norwegian Lundehund, medical faults; 30:12, P 3

NSAIDs guidelines for cats; 30:2, P 3

Nutrition, website for; 30:1, P 3

Nutritional guidelines, from AAHA; 30:6, P 2

O

Office visits, how to increase; 30:11, P 1

Office visits, reasons for decline; 30:3, P 2~30:5, P 1
Orbit, feline differences from dog; 30:5, P 2
Osteoarthritis, and heat; 30:1, P 4
Osteoarthritis, feline; 30:7, P 3
Osteoarthritis, fish oil; 30:8, P 4
Osteoarthritis, treating; 30:2, P 4
Otitis
 Otitis, administering acidic topicals; 30:7, P 3
 Otitis, following up; 30:11, P 4
 Otitis, otoscopic examination; 30:7, P 2
 Otitis, Pseudomonas; 30:5, P 4
 Otitis, Pseudomonas, recipe for; 30:12, P 1
 Otitis, Pseudomonas, refractory; 30:12, P 2
 Otitis, topical volumes; 30:11, P 2
 Otitis, toxicity from topicals; 30:7, P 1
Otosopic examination; 30:7, P 2

P

Pain scale, cats; 30:3, P 2
Pancreas, biopsy of; 30:6, P 3
Pancreatic insufficiency, website for; 30:5, P 3
Pemphigus foliaceus and azathioprine; 30:2, P 2
Pemphigus foliaceus and ProMeris; 30:4, P 1
Pemphigus foliaceus, treatment; 30:1, P 4
Perianal fistula, cyclosporine protocol; 30:11, P 1
Pet food labels, interpreting; 30:2, P 2
Pet foods, senior; 30:9, P 4
Pet loss hotlines; 30:2, P 4
Pharmacy, online, advice for clients; 30:3, P 2
Plant eating; 30:3, P 3
Pododermatitis, atopic; 30:1, P 2; 30:1, P 2
Pregnancy test kit for cats; 30:2, P 2
ProMeris and pemphigus foliaceus; 30:4, P 1
Puppies, social interaction; 30:10, P 3

R

Rabbits, dental disease; 30:6, P 2
Rabbits, diet for; 30:11, P 4
Rabbits, gastric stasis; 30:9, P 3
Rabies vaccine, improper use of; 30:5, P 2
Rabies, post-exposure management; 30:9, P 2
Raccoon roundworm, destroying; 30:1, P 3
Raccoon, destroying its roundworm; 30:1, P 3
Radiation safety; 30:1, P 1
Renal disease, and creatinine; 30:6, P 2
Renal disease, herbal products to avoid; 30:5, P 2

S

Sago palm toxicity; 30:1, P 4
Salmonellosis, pet frogs; 30:3, P 3
Schirmer tear test procedure; 30:1, P 4~30:12, P 1
Sedation
 Sedation, cardiac patient; 30:1, P 1
 Sedation, hyperthyroid cat; 30:10, P 4
 Sedation, in upper air way obstruction; 30:2, P 3
Seizures
 Seizures, adding a second drug; 30:10, P 2
 Seizures, propofol 30:8, P 1
 Seizures, status epilepticus, management; 30:7, P 1
Senior pet foods; 30:9, P 4
Sevoflurane, precautions for generic product; 30:4, P 2
Shock, human albumin; 30:6, P 1
Sick behavior in healthy cats; 30:5, P 4
Sickness behaviors related to external events; 30:3, P 3
Skin disease, topical therapy; 30:8, P 4
Small mammals, estimating blood loss; 30:7, P 4
Spinal cord injury, use of steroids; 30:3, P 4
Staphylococci, multi-drug resistant 30:8, P 2

State regulations, online; 30:12, P 4
Stem cell use, more popular 30:8, P 1
Sterilization of instruments; 30:4, P 4
Storm phobia; 30:6, P 1
Stress, cat, steps to avoid; 30:5, P 3
Strychnine poisoning, inducing emesis; 30:3, P 2
Surgery

 Surgery, antibiotics for; 30:6, P 3
 Surgery, avoiding dehiscence; 30:9, P 4
 Surgery, eyelid suturing; 30:10, P 3
 Surgery, orthopedic, preventing infections; 30:4, P 4~30:6, P 4
 Surgery, secure staple closure; 30:7, P 4
 Surgery, SQ wound reactions, cat; 30:12, P 4
 Surgery, swaged-on needles; 30:11, P 3

T

Taurine, for cardiomyopathy; 30:10, P 4
Topicals, human, toxicity; 30:4, P 1
Tranquilization, drugs for; 30:5, P 3
Travel excitement, lavender; 30:10, P 3
Trichomoniasis, feline; 30:6, P 4

U

UPC, free catch or cystocentesis; 30:10, P 2
Urethral obstruction, alternative approach; 30:2, P 1
Urethral spasms, male cat, treatment; 30:4, P 3
URI, feline, treatment; 30:7, P 3
Urinary tract disease, guidelines for treatment; 30:7, P 2
Urinary tract infection, recurring; 30:8, P 4
UTI, E coli; 30:10, P 1

V

Vaccination, perioperative period; 30:12, P 3

Vaccination protocol, kitten; 30:5, P 4

Vaccination protocol, puppy; 30:5, P 4

Vaccination, age for last dose 30:8, P 2

Vascular access, new system; 30:2, P 1

W

Wellness programs, using radiography; 30:6, P 3

Wildlife rehab; 30:3, P 1~30:9, P 2

Wound healing, innovations; 30:9, P 1

Wounds, topical proparacaine; 30:3, P 2
