Air Purification & Disinfection

Halosil NXT – halosil.com, 302-454-8102. Halo Disinfection System using ionic silver and hydrogen peroxide fogger for disinfection of entire rooms (including hard-to-kill spores) starting at about \$10,000.

Quip Laboratories – quiplabs.com, 800-424-2436. PURE Hard Surface Disinfectant eliminates Covid, MRSA, Salmonella, etc in as little as 30 seconds using silver ions and citric acid. No PPE or rinsing needed. Order directly through regional account manager [here](#). Hexagiene cuts through tough soils and reduces cross contamination

between treated surfaces. [Hexagiene](#) is a chlorine dioxide product that is “EPA approved to kill Mycobacterium bovis and **Feline Calicivirus** within a minute, and the SARS-CoV-2 Virus that causes COVID-19 within 30 seconds” and Canine Parvovirus in 5 minutes.

Synexis – synexis.com, 866-SYNEXIS. Uses naturally occurring oxygen and humidity in the air to create Dry Hydrogen Peroxide that continuously cleans air and surfaces including black mold, MRSA, and viruses. 3 available products: The Blade can be installed in existing HVAC ductwork; The Sphere covers about 1000 sf and costs ~\$2200; and The Sentry XL covers ~3000 sf for ~\$3000.

Angel Funds

myBalto Foundation - www.mybaltofoundation.org, foundation@mybalto.com, 619-310-9902. Allows vet hospitals to establish their own Angel funds and grow them through rounding up at checkout, fundraising, crowdfunding and preferred partner programs. Claims can be submitted via a personalized dashboard and receive automatic approval.

Furlanthropy – furlanthropy.org, paws@furlanthropy.org, 434-207-2790. “the first charity-owned crowdfunding platform for donating to and raising money for animal-related causes such as past or future vet bills, essential pet-care needs such as food, disaster relief emergency assistance, or your favorite animal-related charity. Furlanthropy verifies every fundraising campaign, directly distributes the funds to the need (not to the person raising the money), and provides charitable tax gift receipts for all donations.” 90% of funds received go to the charity.

Paisley Paws - www.paisleypaws.org, andrea.mckown@paisleypaws.org, 417-894-9932. “Provides financial support directly to PAWrtnr clinics during times of medical crises for pet owners who are unable to afford life-saving, life-enhancing veterinary care, provides scholarship grants to senior-level veterinary students to offset the educational debt and provides financial crisis aid to help prevent suicide.” Raise funds by “rounding up” at
